

The Kern Oilers Developmental Football Program

The Kern Oilers Developmental Football team are back for another exciting season. With the 2021 Spring season quickly approaching, we are once again part of the LaBelle Developmental Football League (LDLFL). Last season, the LDLFL joined the Gridiron Developmental Football League (GDFL) to become the GDFL West Coast. Under this parent league, we will now have the opportunity to play for a true National Championship in 2021. This development has truly validated our league's integrity, value, and propensity to be challenged on a national level.

Our organization exists and functions based on partnerships with local businesses, companies, and individuals, providing generous sponsorships, which enables us to be the best we can possibly be. The Kern Oilers are very interested in partnerships, as we believe it will be mutually beneficial to both of us. Sponsors, such as you, will be included and attached to our organization. Past sponsors have included South Valley Tires, Gentry Registration Services, Solid Fitness Equipment, Avenger Performance, M.D. Atkinson Co, MeatHead Movers and various others.

We are planning several community events this upcoming season and would love to have you be a part of it. We are also in the process of scheduling a few fundraisers.

We would like to thank you for your time, interest, and consideration of partnering with the Kern Oilers. Please review the sponsorship information, we would appreciate any level of contribution to make the Oilers best equipped for this upcoming season. We would like the opportunity to meet with you to discuss any opportunity for mutually beneficial partnership.

Please know that sponsorships can be customized to fit your needs. We are prepared and eager to work with you to create the most beneficial package to meet your needs. This flexibility will help ensure a mutually beneficial relationship between you and the Kern Oilers.
